Cable services, programming and rates are subject to change. All service subscription rates or product lease fees listed are assessed as monthly charges, unless otherwise specified. Additional charges, including service, equipment and/or installation, may apply. Digital cable services require digital receiver equipment and subscription to analog Basic service at a minimum. High-definition services require an HDTV-ready display with DVI, HDMI or component video interface. Please contact service office for additional details about rates, programming, equipment and services.
